Mrs. Emma K. Tourgee,

Mayville, N.Y.

I have just wired you that I accept the Judge's views as to the matter of bringing out the new book, and we will launch it about the first of March. General Christmas advertising would tend to bury out of sight a book of grave character; and besides that, his very recent claims upon the critics would suggest that they have a breathing spell before touching anything more from his pen. So, let him rest while the book rests.

Yours Very Respectfully

Cranston & Stowe
