Mr Lougee.

Dear Sir: We want to purchase a good patent for one of our clients, covering a "wire fence" or fence post, and our attention has been directed to yours.

Please let us know by return mail whether the patent is for sale, if so, the lowest price for Northwestern States, & whether the invention has been made & used to any extent.

Also send us copy of the patent.

Yours truly
M. D. Dougall & Schnell.
