Mrs E. K. Sawyer

Wayville N.H.

My Dear Madam

Your favor just  
at hand. I have just written  
the Co fully explaining the sit-  
uation fully and asking them  
to communicate with you at once  
with reference to making such  
changes as you desire. I think  
they will attempt to it promptly  
and change the Ins. as you de-  
sire. Should you not hear from  
them promptly, or should there be  
any trouble about it, I wish you  
would write me at once.

Chase is a bad egg.

Mrs Larmonst joins me in kindest  
regards to yourself and your sister.
