Mr. A. W. Tourgee,

Dear Sir:--

I take great pleasure in sending you an-
nouncement of my coming features. I am very sorry not to have been
able to secure from you contributions for the series of articles
entitled, "The Best Reading," of which I enclose special announce-
ment. But as the articles will not be published for nearly six
weeks, it is not too late to have your contributions yet.

Very truly yours,
