Dear Judge Sawyer

The time is getting short
for action on the Union side of that
Committee. It meets on the 8th
and if neglected there is danger
of its falling into pit falls with
H. Bliss, Emory Smith, Phelps, Ed-
-wins Powell Chrysler, Salstonro and
others managed by Joe Manley
of Augusta Maine in the interests
of the magnetic man now in the
East.

What action should we take? Can we
bea track, and if you have not
been you could track me in-
-struct me.

I have not seen my Pittsboro
man yet but look for a letter
from him daily.

Kind regards to Mrs J. I am
Yours faithfully
Wm. A. C. Sawyer & Mrs. H. A. C.
