

3091

Philadelphia, Nov 7th 1887

Albion W. Tourge Esq.,

Dear Sir:

The first instalment of *With Courage and*
Swallow arrived in good time for our December
number but the November number was then
all printed. We should like the January copy as soon after
the 10th of November ^{from your books}
as possible, and if in
future you can send
us the instalments before
the 10th of each succeeding
month you will confer a
favor

Sir Lippincott's Mag
