

Stone, Nov 8th, 9.0.6. P.M.

My dear Judge
 Yours of 8. & 9. A.M. this morning is
 at hand, has been read, and I am
 sure with my pen poised to reply by
 giving you my impressions. I am so
 glad that it is on its way to you. I hope
 you will get it to-morrow afternoon, or
 evening.

I think the contest in N. H. is very
 more clear, with the chances slightly in
 favor of us. In Ohio we shall win
 by a satisfactory majority, say 1,200.
 In this State I expect our majority will
 be not even materially.

Note as is, 88 & 89.

As the interest published in the Tribune
 late last week coming from N. H. & Maine
 since his return from Europe? I hope so.
 I noticed in the Camden Courier of Nov 7th
 my paper yesterday that which is reported
 to be a talk with Mr. Hall's friends

which I construe as plainly intimating
- a preparation to take down and
of the manner of, 88 more when taken
in connection with sales, I think
the matter plain in that direction. I
sent Phelps to my lawyer. See sm.
other firm, or I would give it to
you.

On the side of what comes a shot from
Elihu Elkins, which I find in yesterday's
Pittsburg Times, declaring that
"Blaine represents the great bulk of the sentiment
"and supports of the Republican Party so if he should
"decline to be a candidate for my reason his
"friends will be a factor in determining who
"shall be the nominee so that it matters
"no difference in the end."

We will do about Mr. Elkins, the points.
That game is done publicly promulgated by
Elkins than you, but not any more
clearly than you predicted 90 days
ago.

I will write you further when I hear
from Pittsville.
