Mr. Abram W. Tupper

Magville N. Y.

Dear Sir!

I have your dated yesterday.
If you will send me an offer to allow judgment
for the relief demanded in the complaint, I
will accept it, enter judgment and send a
transcript to Phila. with a recommendation
that the judgment be sold to your friend for 25%,
but I think your friend ought to pay the whole 15%
of the disbursements included in the judgment.

Yours truly
