Mrs. All Sougic,

Dear Madam:- Yours of recent date suggesting that I suggest a subject for an article by your husband recd.

I could use on Christmas Day an article of not more than 1400 words and I might suggest that your husband would no doubt dispose of his check as he did of the previous one, if he should find time to favor me.

Any subject appropriate to the day would be acceptable, as long as it was not an out-and-out story. Your husband will know just about what is wanted.

If you will kindly communicate
with him and let me know his
decision as early as possible
I will feel obliged.

If he can let me have the
article I would like you at
latest by Dec 15. and as much
earlier as he cares to send it
in. Check on receipt of it
unless you would rather it
to arrive the day before Christmas.

Yours most truly
Chas R Brown
