Nov 26 1887

A W Lougee Esq
Mayville NY

M Sir

Will you kindly inform us as to the success you had in forming the Semi-Cylinders our reason for asking is that we are not able to form to sufficiently small diameter to enable us to make them fit into the compression mill and wish to know if you had any trouble in this line.

An early reply
will oblige

Yours truly

GEO. H. GRAHAM, SEC'Y AND TREAS.
