A. W. Dowsie

Dear Comrade,

Excuse the delay in acknowledging the receipt of a paper containing your letter to your comrades of the 105th Ohio. I have handed it around among some of the comrades and it is our wish (if you do not object) to change the ^{introduction} and make it read as ^{directed} the one re-union and print it with the proceedings of our late re-union at Mt. Morris. I am sure it will interest all of our comrades and will put it in permanent shape.

I have been giving my entire time for a month past to writing the history of the 27th, and have it nearly ready for the printer. I found the work that had been done

by Commodore Watson unfit to
print so I am writing all new.

I hope this will find you all
well and wish you a
Merry Christmas.

Yours truly,

L. B. Fitchell.

P.S. We hope to get the Proceedings
out soon.
