

Jamestown, N. Y., Dec 7 1887

Dear Mrs Furgess:

The business office of the Journal informs me that the reading notice of "Putton's Inn" sent me by you will cost \$5. for two insertions in Daily and one in Weekly. Mr B. O. says this is less than a third what such notices are usually taken at.

I quite agree with you that every household in the County should have "Putton's Inn." The copy with which the Judge favored me has gone the rounds in our neighborhood and been the means of getting a number of copies.

With kind regards,

Fred. W. Hyde
