Judge G. W. Tougee,
Wayville, N.Y.

Dear Sir: Our people were very much disappointed at your non-appearance here on the 16th. We are anxious that you should be in our course this year, and we desire that you will give us another date as soon as you can. Rather than not have your lecture we would cheerfully wait a month or six weeks.

Please let me hear from you soon.

Resp.
P. A. Allen.
