Dear Sir

I see that you are interested in International Copyright & I take the liberty of sending a copy of a plan pub^d in the 17th Century, of wh. the Geny N. A. Rev will give a more full description.

If the plan meets yr approval we should be glad to have your co-operation in presenting it to the Comtee & Congress.

I scarcely had the pleasure

of meeting you during
your residence here
but I knew you through
my brother Mr Lloyd P.
Smith, of Philodetrans, &
other mutual friends.

Yours very truly
