No. 135 Prospect Ave Berffeld  
Dec. 29. 1887.

Dear Mr. Truesdell,  
You were very  
kind to fulfill your promise  
so quickly. I received  
Butter's Letter yesterday  
and anticipate the reading  
of it with real pleasure.

The snow has helped us  
to feel that Christmas was  
at last coming) and the  
children are full of  
anxiety about Santa  
Claus. How much  
happiness we do manage  
to get out of things here

cannot understand,  
I thank you sincerely  
for your remembrance  
and trust that all  
the pleasure possible  
to a Christmas and  
New Year may come  
to you and yours -  
Sincerely  
Carrie A. Willott.
