Madam,

Your order was rec'd for "Pecanios"
Creams. We have been in the Candy
business twenty years & unblushingly
acknowledge we do not know a
"Pecanios" Cream from a Hubbard Squash.
We thought perhaps a mixture of
Hand-made Bonbons, fine Chocolates
& Fruits would please you & regret
it was not what was desired.
We beg to disagree with you in
your assertion that the package
sent you was "Common" mixed Candy.

Yours
Sibley & Holmwood
