

Columbus's Aunt. She insists
that I put this in.

Dr. Judge:

This boy Columbus has strayed away
from home & been gone 9 yrs.
We all have been worried much
about him and have not heard
from him in five years before
he got in trouble. I am very
sorry that he did not behave
himself, but yet Judge you
know we all love our blood
and want to do what we
can for it. I am very thankful
for what you have written
concerning this boy and hate
to trouble you more, but please
if you can let us know
if there is anything that can
possibly be done to get him
out of this trouble. We are

Willing to pay for it and
shall do our best to get
him away from your room.
It is so hot he wont be
a trouble to you any
more. ~~Remember~~ I say that
the man whom he assaulted
will not appear against
him and that be true
it seems that there might be
some hope for him on
conditions that he leave
the country. Please give
us some counsel in this
case and did you oblige
me if you could
write me
back
yours truly
