GEORGE L. LEWIS. ADELBERT MOOT.

July 9-1888

My dear Mrs. Touger

I enclose you Howard's
latests - I have used a little salve,
in in my case, as we have
got through the skin at last
perhaps we had better wait a
little and see if we get any
speed, Please return Howard
letter at your convenience,
if the Judge is with you
please tell him as I think
it our "89" grows brighter
in prospect, With best wishes
to you and your household, the
Judge in particular, I am
kindly,

Yours,
Alfred Mead
