

F. P. VANDENBERGH,  
CITY CHEMIST  
AND  
CHEMIST TO THE BOARD OF HEALTH.

CITY OF BUFFALO,  
OFFICE OF THE CITY CHEMIST.

LABORATORY OF THE UNIVERSITY OF BUFFALO,

COR. MAIN & VIRGINIA STREETS.

Buffalo, N. Y. January 16 1888.

To the  
Honorable Albion W. Pongee;  
Mayville, N. Y.

Dear Sir:

I pray you pardon  
my tardy acknowledgements of  
your valued favor of the 16<sup>th</sup> inst.  
It, indeed, brings much pleas-  
ure to us all to anticipate your  
being with us on the 28<sup>th</sup> proximo.

We earnestly hope the fairies may  
preside over every effort to make  
it feasible for you to come and  
we will do all in our power  
to make the occasion pleasant  
and to give you a good time.

Since I last had the pleasure  
of writing you Mr. William Dean  
Howells has favored us with  
an acceptance.

Our arrangements  
are now completed and we shall  
await the accession with scarcely  
less impatience than the students  
who will at that time enter upon  
professional life.

With every assurance of cordial  
reception from our Chancellor,  
faculty and committee I again  
have the honor to be

Very respectfully  
F. T. Henssleburgh  
Chairman Com. of Arrangements
