Dear Sir,

My daughter lost
a gold monogram pin. She
thinks on the Main Company
from Prospect to Mayville
on the afternoon train the 12th
inst (Thursday). It had the
monogram "A.M.J." on one
side and the date "11.19
'87" on the other. It was
made from a five dollar
gold piece. Should any
such pin be found you
will confer a favor by
letting me know.

Yours truly
