Henry L. Clayton  
Dear Sir -

I have just wired you in response to yours concerning to change George's lecture to Saturday night March 3<sup>rd</sup>. I looked up the young ladies and advised them to consent but they had their tickets all printed and ready to begin selling for Friday 25. The change will cost them \$150 and I told them you would stand this as they were in no way responsible for the change.

Please don't disappoint them any further. I recommended you to them as responsibility itself and they will ever step back on me if this don't pan out well.

Yours truly,  
J. B. Dow.
