MONTHLY MAGAZINE

Philadelphia, Jan 20<sup>th</sup> 1888

Hon A.W. Targee

Dear Sir:

Your telegram rec<sup>d</sup>. We have not

yet put your fourth instalment in hand

Our February number was a Woman's

Number and consequently we suspended

"With Quage and Swallow" for the

month. In the May number, by the

way, we may do the same as that

may be a No Name number consisting of

anonymous contributions by well known authors

Yours very truly
