Buffalo
Feb 4/88.

My dear Judge Turge.

I learn that you
are going to help to
make some of the
Discussions at the Com-
mencement of the
Buffalo Medical
College, this year
was interesting than
they usually are. The

Doctor will keep
you up late but
I hope neither put
you on nor under
the table. However
you will need a good
bed & a quiet house
after the "exercises"
I doubt not, can
may I ask you
to find them
at 6198 Delaware Ave.

I hope you will see Dr. King in the
one or the other here

Very sincerely
Alman, Rogers

Dear
Mr. Sawyer,

Very truly,
Alman, Rogers
