My dear Judge,

I have yours of yesterday and return the assignment witnessed as requested. Had I recd it half an hour earlier I could have had another witness as well as not.

Thank Mrs. T. for the check for \$5.10 which is received all right. Glad to know that the bells work so well.

I have a quantity of very fine ink powder (aniline violet) and will send some tomorrow, have not time to put it up tonight.

All well.

Hastily,

Ed. H. Nixon.
