July 21 1888.

Dear Mrs Louisa

As the Judge tells me in a welcome letter of encouragement, that you are to communicate with me in his absence I write this to you.

I thank you for your words of faith and hope in our cause. Communicate to him, for I see the fruits that they bear, and which crop and so bursting are potent in his utterance.

It is well, and going well, for Howard's utterance in Boston at his home now, upon his return from Europe. Change my views as to Belmont letter. He is a critic

man, and I should not be
surprised if he did not
live a year.

Phelps asked me by cable
to reconsider, seeing no
answer, cabled again &
received a reply in one
word, "Impossible."

Please keep me posted as
to your views, the Judge's
actions, and his opinions,

I am

Yours faithfully

J. Mark Fuller
