

Atme July 21, 1888.

Dear Mrs Tomp

At noon today I received a letter from my friend Clay who I have known since my childhood, in compliance with a request made previously, which I within two hours thereafter had type written copies made, and sent as follows:

- 1 To Nation Press N.Y.
- 1 " Bowles Springfield Mass.
- 1 " McCallah Globe Democrat
- 1 " Altier Telegraph Ill.
- 1 " C. Leader Washngt Correspondent
- 1 " Home Lit Alternator N.Y.

As I had permission to give it to the Press East & West & Middle States,

I thank you for 20 pages received this morning from Mayville, Platte

tell me what you think of the Clay
Manifesto, He has been intimate
with Belvidere's denunciation & that was
the reason I wanted his adhe-
sion to Lincoln.

I am
Yours faithfully
S. Mark Deane
