STAFFORD & CO.

Buffalo, N.Y. July 21st 1888-

I find I stay here until 9.30 and go by Schenectady and Putland - From one I was badly out. I don't know the

name of the parties in Burlington, but will find them out. — Moot and Matthews are greatly impressed with the motor idea and think they can work the thing up nicely in a little while. Shall write to Miller and Folger on the matter at once. It really heartens me up to see what a hold it takes on them.

Yours ever
