LIPPINCOTT'S
MONTHLY MAGAZINE

Philadelphia, February 22nd 1888

Dear Sir:

Our May number will be an anonymous
or No Name number so that we will not need
the next instalment of *With Quage & Swallow*
until April 1st.

By the way can you not make the stories a
little shorter? The fourth story (proof of which
goes to you tomorrow) has makes some 23
pages and the first part seems too technical
for general readers

Yours truly

W. S. Walsh
