Dear Judge Frazier

Your letter to Mr. Rogers was handed me yesterday and I telegraphed a hasty reply. I appreciate the delicacy of your position, no less than your loyalty to the alumni association.

I alone am accountable for any misunderstanding that might have occurred because I failed to write you about the same time Mr. Rogers extended hospitality. The alumni yield their prerogative to the will of our city's best work - the State. I have met Mr. Rogers and will join him in

trying to make your visit pleasant.

I inclose programme for the day. Please wire me time of arrival and I will see that you are escorted from depot to Mr. Rogers house. Love, in haste,

Very respectfully yours
F. T. Anderson
Chairman
