GEORGE L. LEWIS. ADELBERT MOOT.

Feb-28-1888

My dear Judge—

I sincerely hope
you can accept this
invitation. The doctors
are "jolly good fellows",
and that means they
are true gentlemen.

If you can accept please
bring Mrs. Toussier down to
our house, stay two or three
days, and have a good time,
if we can give you one.

Very truly

Adelbert Moot
