

Sumner  
July 29 - 1888,

Dear Judge Sawyer  
Reached home late  
morning, fine letter from Brewster -  
His name is correct. Will send  
his letter to you by express.  
Did you get his 3 copies of the  
Reproduction of the 2 3<sup>d</sup> mix? He  
sent them, and one 20 copies, &  
they are half of them on the wing  
now.

I will write fully tonight. I  
had my orange in Chicago, they  
state my hat at Grand Pacific,  
and I have the satisfaction of  
getting them that I was thankful  
that I got away from the rotten  
lots with my boots. I started  
up the animals I tell you - I  
think we shall see good results  
from my visit. Kind regards to Mrs  
S.  
E. Langford  
Pitts,
