Mrs. A. W. Poursée:

Dear Madam:

A note from Judge Poursée informs me that he will be in this section within two weeks on a lecturing tour. Can you fix a date for us in that time? Please state terms and subject. The rate last year was ^{\$}75 or 65% of receipts, I believe. We prefer not to have it on Wednesday evening as that is our prayer meeting night.

Yours truly,
W. W. Gist
