SHERMAN, ROGERS,  
FRANKLIN, LOCKE.

Buffalo, N.Y. Feb. 29 1888

My Dear Judge Targge,

It must have been  
almost a leap in the  
dark that you made  
this morning, I came  
down prepared to  
have an account from  
you of your bargain  
with the Bones, &  
found instead a  
few lines announcing

From delight

It was a disappointment

which but next time

I hope things will

conclude better

Yours sincerely
