Dear Sir,

Not having heard  
anything from you in regard to  
the leaded stained glass which  
you mentioned not long ago  
to one of our firm. We would  
be pleased to have an opportunity  
to sketch designs for you,  
and would be glad to be in  
receipt of any dimensions from  
you for which you would like  
to see designs

Yours Respectfully
