CORSA, MILLER & RICHARDSON, MANAGERS

Sioux Falls, Dak. Monday 9 1888

6-pm -

My dear wife: I am back here in excellent condition only a little tired after my trip into the region of the blizzard. I shall get away from here tomorrow about 3.00, and get to Cedar Rapids - which is but a half hour by horse car from Marion - on Sunday morning and will stay there until Monday night at 9.55, when I will go on to Chicago.

Do you know you made a sad mistake in my list? If I had not heard to the contrary I should have gone to Sioux City Ia, instead of Sioux Falls, Dakota. There was some danger that the "Strike" might stop me but I guess that is over now - the

danger of stoppage I mean
and I hope to see you on
Thursday, if I can get a train
from Oberlin on Wednesday
night after the lecture.
Love to all.

Yours
Albion
