

S. S. McCLURE,
TRIBUNE BUILDING,
NEW YORK, N. Y.

CABLE ADDRESS:
"AIDDECAMP, NEW YORK."

March 20, 1888.

Judge Albion W. Tourgee,

Dear Sir:—

Your letter of yesterday received.

In regard to the article on the Negro Question I would say that I would handle it in the same way I handled Mr. Cable's article. If you will send it to me I will offer it to the newspapers and push it to the best of my ability, turning over to you 2-3 of the gross receipts. That is the best I can do with an article of this kind, and is impossible for me to say what market there would be for the matter.

Very sincerely yours,

(Dictate d)
