Chicago, Oct 9 1884

Dear A. W. Bourgee.

Dear Sir.

Enclosed please find a copy of our contract as drawn by yourself when in the office.

Now a word about the Christmas story of five or six chapters.

I think I spoke of desiring the first chapter to be in an issue of date Dec 20th while that is the week before Christmas yet it will be our Christmas number. Will you try to arrange matters so the first chapter can be extra long, as it will be our leading feature, also have the Christmas part focus there, as in the second chapter, as suits you best, but one of the two. With these two requests I leave the matter in your hands.

Yours truly
H. S. Harrison.
