Seattle, W. T. Nov 19 1885

Dear Sir

I duly received Mrs Foursie's letter in acknowledgement of my last letter to you & informing me of your absence on Election business.

I have left San Francisco and am now permanently residing here and write merely to apprise you of the fact in order that you may know where to address me.

Now that the Election is over please let me hear from you personally, in reply to my last letter, as it must be clear to you that something must be done toward a settlement without further drifting or delay.

Address to me at the above Hotel.

Most truly

A. Elgray
