

Kingsville Dec 23/88
Dear Dear

Years of a long
time ago came duly to hand
a little before Election I had
been unwell in a few days I
was taken down and for 10
days was not dressed I
have been getting slowly
since and have got so that
I can get to the barn and
do a very few chores
and if it was warm weather
I would soon be all right
but with the mercury at
zero it has been there once
it is hard work to even
sit by the stove but think
I have good reason to be
thankful it is no worse
as ever Dear give Love

Une grenouille vit un bœuf,
Dû lui semble de belle taille. un veuf,
Elle, qui n'était pas grosse en tout comme
Enveüe, s'élend, et s'enfla, et se travailla,
Pour égaler l'animal en grosseur.
Mieuh, Regardez bien, ma soeur ^{encore}
Est-ce assez? Hélas moi! n'y suis-je point?
Nenni, - N'y vois donc? Point de tout, - N'y vois.
Vous n'en approchez point. Et le chétive pécora
S'enfla si bien qu'elle creva.

Le monde est plein de gens n'ont plus
Sages ^{seigneurs}
Tout bourgeois veut ^{seigneur} fêter comme les grands
Tout petit prince ^{est} des ambassadeurs,
Tout marquis ^{est} des pairs
_{juste avoué}

Is that all?
Is it all? Is that all? Is that all?
Is it all? Is it all? Is that all?
Is it all? Is it all?
Is it all? chétive pécora.
