

A.W.T. PAPERS 1888

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

Dear Judge:

Williams is off his nut again. The proof I send you now came in good time; but there is some muss which I have been unable to fathom about the 4 missing pages of proof.

I send these along, anyway, and will get at the bottom of it at once. I think the electrotypes come in somewhere — but Williams & I miss each other as we run back & forth & no one else there seems able to tell me what I must know.

Please send me your notion of a note about '89' for me to print in the American Bookeller.

Faithfully yours,

H. W. B. S.
