My dear wife:

I am here on my way to Lake Linden after owning Adam-
Naves by the way. I shall stay here
till 2 or 3 tomorrow and try and
get back here tomorrow night
but may not succeed. The hotel
there is noted as the very worst
in the whole Northwest which
is saying a good deal.
It is cold enough now and
snow pretty deep. Guess I shall
make the trip through without
being blocked.
