Hon. Asst. Surgeon  
Gen. Judge:—

I have read the enclosed  
letter from Fords H & H in reply to my letter  
I wrote them criticizing their suggestion  
that I give them indemnity bonds &

They have now moderated their  
demands as you see & my guaranteeing  
them against loss because of Blair's  
claims — What would you advise  
me to do? If Blair has no cause of  
course he will not dare begin action and  
I will be entirely safe if I give the  
guarantee & this would terminate the  
discussion between F & H & myself —

Please return me F & H's letter with
