9 a.m.

My dear wife:

I am feeling splendidly -
 think I have got rid of my cold. I
 did not have to cough at all
 all day night and have been
 entirely free of it since.

I wrote blank out envelope
 and letter for Dayton last night
 Am quite well and am going
 at my "niggers" with renewed
 energy. Shall see you Wednesday
 perhaps as soon as you get
 this.

Yours

Wm. W.
