Hon A. W. Foujée  
Mayville  
N. York.

My Dear Sir: —

The committee  
of arrangements who have  
had in contemplation  
the reunion of the survivors  
of the battle of Bull Run  
have somewhat broadened  
their plans since I last  
wrote you. It is now  
determined to hold a  
National Reunion of  
the veterans of the late  
war North as well as South  
at Washington DC during  
the month of July 1889.  
After the meeting there,  
as many as choose can

join in <sup>(2)</sup> the Excursion  
to the first battle field of  
"Bull Run". We believe that  
the National Union  
Contestants, will be produ-  
-ctive of the greatest good,  
and promote fraternal  
Sentiments among the men  
now united under the same  
flag. Will you lend us  
your aid in this endeavor  
will you also allow your  
name to be used? We have  
great reason to believe that  
a large gathering will be  
brought together. The RR's  
are doing well by us.  
Have just rec'd letter from  
one of our leading Gen's who  
approve of the Scheme, & will  
take part. Hoping to hear from  
you I am  
Yours fraternally  
J. H. Louisa for the cause
