Mrs. A. N. Fougis

Dear Madam

Your note of
20th is at hand, and I am
very glad to hear of the
prospect of again see-
ing you. Did we
not expect six friends
and relatives from N.
and three from the
West we should insist

upon your stopping with
us. But could now offer
no plan to lay your
head under my
apart. Shall take
you up early and shall
be glad to serve you in
any way.

My family joins me
in kind regards to
you all

Very respectfully
A. M. Fisher
