Physician and Surgeon.

Minden, Neb. Feb. 26 1889

Hon. Albion H. Torrey

Keeping Water Neb.

Dear Sir: I wish when you are about to leave Lincoln for here you would telegraph me. The train from Lincoln here leaves about noon. When your train has arrived, and you are about ready to take it then telegraph me at my expense.

The reason for this request is that the people here are very incredulous about you getting here. We bid this Sunday when ~~Mr~~ <sup>Mr</sup> Wendling <sup>Wendling</sup>

Willis E. Buck, M.D.

Physician and Surgeon.

Minden, Neb. 188

case and had the telegram published & printed on slips and circulated. He wish to do the same way in your case.

Very Respectfully Yours  
Willis E. Buck's.
