Slayton Lyceum Bureau,
Chicago Ill.,

Dear Sir,

Yours of February 27 at hand.
We find that we cannot change our date for the lectures. We regret that Judge Tourgee should be inconvenienced. Our Town Hall is booked for entertainments all through the latter part of March and through all of April. To change our date under the circumstances means bankruptcy for us. We have thrown out the bulk of our advertising and to make the change, if we could, would necessitate additional expense. We would rather give up the lectures altogether than change to any other night. Judge Tourgee will not be more inconvenienced than we would be in case of a change.

Hoping you can arrange all satisfactorily

I am, Very Truly,

Seth H. Lee.
