Dear Sir

We have some castings here cast for you which are as you wished them. Will you kindly inform us as to the disposition you make as to make of them.

We are aware that you did not like the long semicylinders (defeated) and the cupluc. but there is some of the other parts which are OK and we are ready to make more of the parts to which you objected. to match those that were right. As we will do what is fair in regard to settlement for them right. Have no objections to submitting to a pattern. In the hope

The enclosed statement does not include the castings remaining here. Awaiting reply which we desire promptly we are  
Yours truly
