

OFFICE OF
JOHN Q. ADAMS,
ATT'Y-AT-LAW.

Negaunee, Mich., March 4th 1889

Dear Miss Douage:

In reply to your esteemed favor of
17th ult., permit me to say, that I am trying
to accumulate what shall be a very choice
collection of Lake Superior Mineral Specimens
and that when complete, the collection shall
be sent to your address as requested.
I hope they will afford you as much pleasure
as it affords me to gratify the daughter
of a gentleman I so much admire, as
I do your very worthy Father.

Should you visit this interesting Country
I hope you will at least "Speak as you pass by."
Please Commend me always.

Faithfully Yours
John Q. Adams
