

THE FORUM,
253 FIFTH AVENUE, NEW YORK.

March 12th.

Hon. A. W. Tourgée.

Dear Sir:

We are making a collection, for preservation at our office, of the photographs of the most prominent writers who have contributed to the Forum. We do not find yours at any of our picture stores; have you not a spare one that you can kindly favor us with? The cabinet size is preferred.

Yours very truly,

L. S. Mitcalf,

A.
